Volunteers needed!

Could you help?

Our schools team is looking for new helpers. This is an exciting opportunity to visit local secondary schools for timetabled sessions with Year 10 students (age 14/15).

We break you in gently, beginning with observation of a lesson and building up to greater involvement as your confidence increases.

Please contact the office if you are interested to know more.

New leaflets

Kate, at Mint Design Studio, who created our new logo has been hard at work producing our new leaflets, cards, poster and banner. As soon as they are ready, they'll be featured on our website and useful in our publicity.

Counselling volunteers needed

Could you become a counselling volunteer with Acorn?

We are planning to run a training course early in 2022 and are looking for suitable trainees.

If you have completed a course in counselling skills at Level 2 or above and would like to join our team, please contact the office for more information.
