## Counselling volunteers needed

*Could you become a counselling volunteer with Acorn?*

*We are planning to run a training course early in 2022 and are looking for suitable trainees. Please note that an additional training qualification is required before working with our clients.*

*If you are interested, please contact the office for more information.*

## Acorn in the community

Acorn volunteers have been out and about in the community, publicising our services. In September, we had a stand at Worthing College Fresher's Fayre for two days, where we were able to make our services known to the students. In October, we were involved with the Worthing Mental Health Awareness Week.

**Did you know Acorn has Facebook and Twitter accounts and we've recently added Instagram to our collection! Find us @acornworthing**
