Schools' work expanding!

Our enthusiastic schools' team leader, Steph, has been busy increasing the workload of our highly acclaimed presenters! We now have invitations to deliver sessions to students in ten schools:

Steying Grammar Durrington High

The Littlehampton Academy Davison's High

The Angmering school Worthing High

St Andrews High Bohunt

Our Lady of Sion Shoreham Academy

Here's what one teacher has said:

"All presenters allow the students to feel comfortable enough not just to take part, but also to share ideas and views."

New bookkeeper

In recent months Debbie has joined us to help keep our finances in order!

We are so grateful to her for her friendly and efficient presence in the office each month.

Thank you Debbie!

Counselling volunteers in training

We are currently running a training course for new applicants. They all have some counselling training and this course is introducing them to the work we do with our clients. We are hopeful that some of them will be prepared to join our team.

If you are interested, please contact the office for more information.

Come and watch our schools' presenters!

As mentioned above, our schools' work is increasing and our team of volunteers needs to increase too! We need volunteers to attend lessons as an assistant along with the presenter. You will begin as an observer and only take on what you are comfortable with when you are ready.

If you are interested, please contact the office for more information.
