

# Acorn news in a nutshell

[www.acornworthing.org.uk](http://www.acornworthing.org.uk)

*During the holidays our schools' team have been making a new film to use with year 10 students in schools!*

*Huge congratulations to all involved!*

**Steph says,** "We were asked to arrive by around 9.00 am and didn't leave until gone 6.00...a long day for a 3 minute video! It was all very professional with lights, screens, different cameras, sound systems etc and we all learnt so much. It was filmed in a beautiful garden under a weeping willow tree."

We're aware that everyone learns differently. Having a well made video, properly scripted and easy to hear is incredibly important. It is an integral part of the lesson."
