

Acorn news in a nutshell

www.acornworthing.org.uk

Focus on schools

This academic year our schools team will be visiting 9 local secondary schools: Angmering, Littlehampton, Durrington, Bohunt, Davison, St Andrews, Shoreham Academy, Robert Woodard and Sion.

Our volunteers present a lesson especially designed for year 10 classes, which includes information and discussion on the topic of pregnancy, adoption and abortion and also informs students of the services Acorn provides. Here's what one teacher commented after the lesson:-

“Great that there was no sense of underlying bias in the presentation - a refreshing mix of all types of situations and outcomes with no hint of ‘this is what you should do’.

Students are offered a full range of options and choices with no ulterior motive/design.”

Focus on counselling

Calling all clients!

We want to hear the voices of our clients at our 30 year celebration on 29th March.

Please get in touch for more details!

We counsel men as well as women and it's not uncommon for a man to request help before his partner.

Here's what one said:-

“I've found counselling with Acorn a much needed tool to help manage my emotions following a significant loss. It's helped me learn ways of dealing with grief and emotion.”
